New Engineering Colleges

86 SRI B. B. SAYANAK (Belgaum).—Will the Minister for Education be pleased to state.—

(*a*) the number of new Engineering Colleges that have been permitted to be started in the year 1979.

(*b*) whether it is a fact that Rs. 10,000 capitation fee and Rs. 10,000 donation from each student is allowed to be collected by the colleges ;

(*c*) whether it is a fact that some colleges have been started in the month of December 1979 ;

(*d*) w ether Colleges newly started have Buildings and Equipments?

SRI G. B. SHANKAR RAO (Minister for Education).—

(*a*) Nine.

(*b*) No, Government in G.O. No. ED 210 TGL 76, (I), dated 10th June 1977, have prescribed capitation fee as Rs. 5,000 per seat in respect of Karnataka Students and Rs. 10,000 in respect of students coming from outside Karnataka State in Private Engineering Colleges.

In respect of Aided Engineering Colleges, the capitation fee fixed by Government is Rs. 6,000 in respect of candidates domiciled in Karnataka and Rs. 12,000 in respect of others.

(c) Actual date of starting of the Colleges are not known since all the Colleges started are Private Colleges. However three colleges were permitted by the State Government during November 1979, *i.e.*, on 2 st November 1979.

(d) Information is not available, since the Private Engineering Colleges do not come under the control of the Department of Technical Education.

SRI B. B. SAYANAK.—You have given permission to nine Engineering Colleges. May I know, the names of the Cities and the number of colleges running in Karnataka ?

† SRI G. B SHANKAR RAO.—Three Colleges are in Bangalore and one each at Davangere, Raichur, Dharwad and Tumkur.

SRI B. B. SAYANAK. -There are two colleges started last year in Belgaum. The Minister has not mentioned the names of those two colleges. May I know the reasons for that ?

SRI G. B. SHANKAR RAO.—Yes, we have given permission to start two evening colleges at Belgaum.

SRI B. B. SAYANAK.—You have not mentioned them while giving the answer. Why ?

SRI G. B. SHANKAR RAO.—I have mentioned them.

SRI B. B. SAYANAK.—What is the population of Belgaum ? Why have you permitted starting of two colleges at Belgaum ? Is it to satisfy the Lingayat and Brahmin Communities and catch hold of them ?

SRI G. B. SHANKAR RAO.—While giving permission to start new colleges, we do not take into consideration all such things. While giving permission, we consider the need of that area and the recommendation of the University Commission.

SRI B. B. SAYANAK.—How have you given the permission in the month of November 1979 ?

SRI G B. SHANKAR RAO.—It is for the University to fix up the date of start a college and not for the Government.

SRI B. B. SAYANAK.—May I know, whether the University Commission has taken into consideration the question of buildings and equipments of these private colleges prior to making their recommendation ?

† Indicates that remarks or speeches have not been revised by the member concerned.

SRI G. B. SHANKAR RAO :—Yes. Before making recommendation, the University Commission inspects the area and also assesses the financial position of the Institution which intends to start an engineering college. After being satisfied only, the University Commission recommends to the Government and based on that recommendation, permission is given. That is the procedure.

SRI B. B. SAYANAK.—The former Chief Minister Sri D. Devaraj Urs and the present Chief Minister Sri R. Gundu Rao have laid the foundation stones for both these colleges in Belgaum. May I know, whether the University ensures that the buildings are there ?

SRI G. B. SHANKAR RAO.—While making recommendation, the buildings may not be there. Certain time is allowed for the Institution to provide a building for the College.

SRI B. B. SAYANAK.—This year the Private Colleges at Belgaum are collecting Rs. 15,000 as Capitation Fees and Rs. 10,000 as Building Fund. Such being the case, why the Department of Technical Education is not having any control over these Colleges ?

SRI G. B. SHANKAR RAO.—This is an information which is within the knowledge of the hon. member. The Government has allowed collection of Rs. 10,000 as Capitation Fee by private colleges, if a student is not a domicile of our State. A capitation fee of Rs. 5,000 is allowed to be collected by the Colleges, if the student belongs to Karnataka. Over and above this, if private colleges are collecting, the Government is not aware of that fact.

SRI B.B. SAYANAK.—Has it come to the notice of the Government that the private managements are collecting as Capitation Fee Rs. 15,000 from the students of Karnataka State and Rs. 10,000 towards Building Fund ?

SRI G. B. SHANKAR RAO.—Government is not aware of it.
